

# **BUSINESS TRANSFORMATION**

## **PROGRAM "ONE SHOT"**

1 SESSION

Starting the alignment program requires above all perseverance, sincerity with oneself and the will to work in depth on your business as well as yourself.

---

This is a one-off session where you define an intention or challenge you wish to work on in relation to your business. I will help you unblock your energy and work on your intention so as to realign yourself. You will be given an exercise to complete this holistic experience and reconnect with your essence. The more precise the questions asked, the more precise the answers.

Each session is confidential and will remain between you and Morgane
